Gardening with hardy perennials

NOTICE TO MEMBERS

The Derbyshire Hardy Plant Group uses photographs of its activities for various purposes. These can include social media platforms, the bi-annual Newsletter or the Group website, amongst others.

Photographs used could be taken at meetings, garden visits, days trips or the Group holiday, for example. Members sometimes appear in these photographs either by choice or co-incidentally. Photographs add interest, help inform and help in attracting new members.

If you do not want your image to appear in these photographs please notify the Group Secretary.
